BUELL® FAMILY OF MOTORCYCLES

1125R

Designed for the rider, the Buell 1125R combines performance you would expect in a superbike – power, precision and agility; with the character, attitude and exotic styling to stand out from the pack.

LIGHTNING®

Lightning XB12S
Lightning XB12Scg
Lightning Long XB12Ss
Lightning CityX XB9SX
Lightning Super TT XB12STT

Unique balance of premium components, minimalist style, athletic ergonomics and extreme agility delivering loads of attitude for the ultimate street riding experience.

BLAST®

The easiest way to get into the real-world riding experience. The Blast motorcycle is the essence of sport riding and the Buell brand providing great handling and fun.

FIREBOLT®

Firebolt XB12R

A unique balance of racetrack and real-world performance dedicated to providing the ultimate sport riding experience.

ULYSSES®

Ulysses XB12X

Exceptional handling and Buell innovation for on- and off-pavement sport adventures. Premium style and the best level of Buell comfort and practicality for a wide range of riding style and terrain.

Ulysses XB12XT

The Buell Ulysses XB12XT Adventure Sport Touring motorcycle delivers the thrill and excitement of intuitive handling on long distance travels and daily commutes. Featuring premium styling and all day comfort, it excels on twisty canyon roads or anywhere the road leads with exceptional torque, sportbike agility and proven reliability.

WARRANTY AND CAUTION INFORMATION

WARRANTY: Installation of Buell® Pro-Series products, and similar products from other manufacturers, except some street-legal offerings installed by authorized Buell dealers, may affect your Buell limited vehicle warranty. See your dealer for more information.

CAUTION: Buell motorcycles modified with some Buell Pro-Series performance engine parts must not be used on public roads and in some cases may be restricted to closed-course competition.

CAUTION ICONS

GO LIGHT: These Buell Pro-Series products are 50-state street legal for sale and use on all vehicles, including those that are pollution controlled.

STOPHAND: Buell motorcycles modified with some performance engine parts must not be used on public roads and in some cases may be restricted to closed-course competition. Those performance parts identified with a stophand symbol are US EPA legal, but are NOT legal for sale or use in California on pollution controlled motor vehicles. California guidelines on tampering can also lead to substantial fines and penalties.

RACE FLAG: Buell motorcycles modified with some Buell Pro-Series performance engine parts must not be used on public roads and in some cases may be restricted to closed-course competition. In this section, all engine-related performance parts identified with the race flag symbol are intended for racing applications only and are not legal for sale or use in California on pollution-controlled vehicles. Alterations of emission-related components constitutes tampering under the US EPA guidelines and can lead to substantial fines and penalties.
